Personal Ad – Sun

In this activity, you will use Internet and other resources to write a personal ad for the sun, Earth, and moon. Personal ads for people usually give some general characteristics (height, weight, color of eyes); they then list interests and hobbies (skin diving, sports, watching movies), and they finally include special personality traits (calm and peaceful, high-energy, non-smoker) to make the person's description stand out and potentially match the interests of others.
